

**Voler Strategic Advisors Chief Strategy Officer Named Treasurer for Silicon Valley Non-Profit**

**San Jose, Calif., (September 19, 2017)** – This month, in a unanimous vote, Voler Strategic Advisor’s Chief Strategy Officer, Rolando Bonilla, was selected as the Treasurer for the Healthier Kids Foundation Board of Directors. Healthier Kids Foundation is a Silicon Valley based non-profit that focuses on providing all children with access to quality healthcare.

“There is no greater honor than having the opportunity to serve the community,” said Rolando Bonilla, Chief Strategy Officer, Voler Strategic Advisors. “I am humbled by the trust and support of my colleagues and look forward to supporting the organization’s mission.”

Bonilla began his tenure on the Healthier Kids Foundation Board of Directors in the winter of 2016, and serves on the board as a volunteer.

With a mix of PhD’s, JD’s, MPA’s and MBA’s within its ranks, Voler Strategic Advisors is a firm that puts an emphasis on leveraging its collective intellectual capital to help clients build capacity, facilitate change and achieve their objectives.

**About Voler Strategic Advisors:** Headquartered in Silicon Valley, Voler Strategic Advisors is a management consulting firm offering effective, creative solutions to complex problems. Our team of distinguished, diverse, highly experienced, and skilled professionals serve many organizations and industries throughout the country.
